

Vision of the Son of Man (1:12-20)

7 Golden Lampstands

In midst, one like Son of Man

Garment down to the Feet

Girded about the chest with a golden band

Head & hair – white like wool, as snow

Eyes like flame of fire

Feet were like fine brass, as if refined in furnace

Voice like sound of many waters

Right hand – 7 stars

Out of his mouth – a sharp 2 edged word

His countenance was like the sun shining

And when I saw him I fell at his feet as dead.

Do not be afraid; I am the First and Last. I am He who lives, and was dead, and behold, I am alive forevermore. Amen. And I have the keys of Hades and of Death.
